Sir:

On December 6, 2007 our deposit account no. 50-3110 was charged \$180.00 under Fee Code 1806 for the Information Disclosure Statement filed on November 9, 2007. We believe this fee to have been charged incorrectly, as it was accompanied by the following Certification Statement :

“That no item of information contained in the information disclosure statement was cited in a communication from a foreign patent office in a counterpart foreign application, and, to the knowledge of the person signing the certification after making reasonable inquiry, no item of information contained in the information disclosure statement was known to any individual designated in 37 CFR 1.56(c) more than three months prior to the filing of the information disclosure statement. See 37 CFR 1.97(e)(2).”

In view of the above, a refund in the amount of \$180.00 to deposit account no. 50-3110 is requested.
